### **DETAILED ACTION**

This is the second office action for U.S. Application 10/800,712 for a Self-Drying Condensate Pad for Beverage and Food Service filed on March 16, 2004.

#### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 2 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 2 recites the limitation "the surface" in the 3<sup>rd</sup> line of subsection "a". There is insufficient antecedent basis for this limitation in the claim. Also, it is unclear whether Applicant is attempting to claim a pad, or the pad in combination with the multi-serving vessel. The preamble claims a "pad apparatus" and the final two lines of the claim, claim the size of the pad with respect to the multi-serving vessel. For examination purposes the claims will be treated as a combination claim for the apparatus and pad.

#### ***Allowable Subject Matter***

Claim 2 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

***Conclusion***

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
